INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM UNAUDITED FINANCIAL RESULTS

To

The Board of Directors of Assetz Premium Holdings Private Limited

- We have reviewed the accompanying Statement of Unaudited Financial Results of Assetz Premium Holdings Private Limited ("the Company"), for the quarter and nine months ended December 31, 2022 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

#### Unaudited financial results for the quarter and nine months ended 31 December 2022

#### Notes to statement of Unaudited financial results for the quarter and nine months ended 31 December 2022:

6 In accordance with the terms of the Debenture Trust Deed executed on April 22, 2016 between the Company and Vistra ITCL (India) Limited (formerly known as IL&FS Trust Company Limited) (Debenture Trustee), in the event of partial redemption of the Series 'A' Debentures prior to the Series 'A' Outer Date and Series 'B' Debentures prior to the Series 'B' Outer Date, such partial redemption can only be made upon payment of pro rata return (including redemption premium) computed in such a manner that an IRR of 21% (twenty one percent) is received to the extent of such partial face value of the Series A Debentures and Series 'B' Debentures being redeemed. However, the Company confirms that there is no intent for early redemption of Series 'A' and 'B' debentures since the project has been recently launched and based on the current business plan there is no availability of free cash flows from sale of residential units and accordingly, there is no requirement to pay the redemption premium at 21% IRR.

On basis of legal opinion received from the expert legal counsel the Company's management believes that the redemption premium at the end of the tenure is payable subject to availability of free cash flows.

The Company has accordingly not recognized the debenture redemption premium provision in the financial results for the quarter and nine months ending 31 December 2022, as based on the current business plan there is no availability of free cash flows. Based on the financial performance of the project, the Company will update its business plan and evaluate the availability of free cash flows over the course of the project.

The first date of payment of interest shall be 31 December 2017 (or such other date as may be mutually agreed by the Parties). Subsequent interest payments shall be due at the end of every successive 3-month period. As agreed with debenture holders, the Company has deferred the payment of interest to the debenture holders till the time there are no free cash flows in the project. Interest on the Series A and Series B debentures shall be payable only to the extent of availability of free cash flows, provided however that unpaid interest shall continue to be accrued. For the quarter and nine months ended 31 December 2022, the interest on the said debentures has been waived off by Debenture Holders.
